

Low-Cost Mammograms

Screening Saves Lives

Regular mammograms are important. That's why we offer reduced cost exams (\$80) for women who cannot afford to get screened. Patients must provide a physician order to schedule their exam. The program is only offered for routine screenings and the reduced price does not include any additional diagnostic imaging or procedures that may be necessary.

2018 SCREENING DATES

Saturday, January 27
Saturday, April 28
Saturday, July 28
Saturday, October 27

For questions or to schedule an appointment, please call 1-415-925-7301.

Please note: The mammogram order must be faxed to 1-415-925-7317 prior to scheduling.
